Job opening.

Land Development/Municipal Engineer

DUBUQUE OR DAVENPORT, IOWA

Origin Design (formerly IIW) is a full-service professional design firm offering architecture, engineering, field services and land survey. We deliver impactful, sustainable solutions to help the clients and communities we work with thrive and grow.

Origin Design is continually seeking highly-qualified individuals to enhance our staff and better serve our clients. We are currently hiring a full-time **Land Development/Municipal Engineer** that will be part of our team to deliver solutions to our land development and municipal clients. The position can be based out of our Dubuque or Davenport office.

Origin Design emphasizes training and professional development to facilitate personal and professional growth in your career. We've worked hard to develop a culture of collaboration and position our employees for success. If you join our team, we will help you grow your skills and encourage your creativity. Your future **starts here.** #itstartshere #origincrew
